

## Part 117 National ConDOR BCM

The part 117 Flight, Duty, Rest ConDOR is now available for use.

This National ConDOR applies to:

- All part 121 passenger-carrying operators and ferry flights under part 91,
- Part 121 cargo operators electing to apply part 117 Flight and Duty Limitations and Rest Requirements, and
- Operators issued OpSpec A032 electing to use the part 121.467(c) option applying flight crewmember flight time, duty limitations, and rest requirements for flight attendants.

Principal Inspectors may not add or remove questions.

CMTs may assign this ConDOR in FY14, Q3 and Q4, or until the part 117 requirements are fully incorporated into the Data Collection Tools.

The "Not Applicable" answer (N/A) only applies to questions 1.5, 1.15, 1.34, 1.35, 1.36 and 1.37. Please do not use the N/A answer for other questions. DEPMs should ensure no other questions utilize the N/A answer option.

NOTE(s):

- This ConDOR does not replace EPI 6.1.2 Flight Crewmember Flight, Duty, Rest Time,
- The current element 6.1.2 is still valid on certificates of cargo operators who do not choose to apply the part 117 flight, duty, and rest rules,
- The current element 6.1.3 for Flight Attendant Duty, Rest Time applies to all operators who do not choose part 117 rules, and
- Training questions in this ConDOR only apply to part 117 requirements.
